

Friends of the Championships

Calgary will host the Canadian Track & Field Championships in 2011 and 2012, an exciting opportunity for Calgarians to come together to showcase their city. A newly renovated Foothills Stadium is the venue for the games which is a wonderful gift to the multitude of athletes who include running, jumping and throwing as a part of their sport. The Calgary Track Council is working to provide new equipment to go along with the new facility.

So we are asking all Calgarians to support the Championships.

Your donation of \$100 will see your name engraved on a commemorative plaque to be permanently installed at Foothills Stadium. All the equipment will become a legacy for future athletes from school-age children who are learning the basics of Run/Jump/Throw to the multitude to athletes who have discovered the importance of including physical activity as part of a healthy lifestyle...to Calgary's top athletes who challenge themselves farther as they pursue dreams.

As a Friend of the Championships you will also receive a commemorative crystal to thank you for your part in helping Calgary host this event.

Yes, I would like to become a Friend of the Championships.
