**Announcing the 2012 CALTAF Track Classic
June 8-10, 2012
Foothills Athletic Park, Calgary**

In this Olympic year, Track and Field is going to be the prime focus of Calgary's Summer Sports Season....and it all starts at the CALTAF Track Classic June 8-10 at Foothills Athletic Park.

Over the course of the weekend, over 600 athletes ages 10 and up will be competing in age group competitions and striving to beat their personal bests. Midget and Youth athletes (ages 14-17) will also be competing to qualify for Alberta Summer Games teams. Athletes that win in selected events will have the opportunity to compete at the Donovan Bailey Invitational in Edmonton, AB on June 16, an international level competition that is part of the National Track League.

The annual "Father's Day" Race for Gold on Sunday June 10 will see one lucky family awarded an ounce of gold donated by Dr. Cliff Swanlund.

All CALTAF Track Classic events are free for spectators and this is a great chance to see our young, future Olympians in action and experience the fun and excitement of track and field before the Canadian Olympic and Paralympic trials (in Calgary June 27-30, 2012).

Schedule information is available at www.caltaftrackclassic.com
