Annual Sunday Father's Day - Race for Gold

This year we will be able to have the actual Race for Gold. This is an annual event where fathers and their children "race" down the track for a chance to win a gold coin (value \$1200), donated by Dr. Cliff Swanlund and the Eau Claire Park Dental Clinic. Each participating family will receive a ticket and at the completion of all the racers, a draw will decide the actual winner. You do not need to be a superstar to compete. This is the one race for fun all weekend...

General Meet Information

Spikes are to be no longer than 6mm in length and pyramid only.

ALL COMPETITION SHOES MUST BE APPROVED BY WORLD ATHLETICS.

Athletes agree to abide by the World Athletics Rule (TR5) which concerns the use of shoes during an athletics competition and puts a sole height limit of 25mm on all shoes worn in track events of 800m and above in distance (including Steeplechase). For clarity: The rule does not prevent a road running shoe from being worn on the track but a 30mm or 40mm road running shoe **cannot** be worn for track events because of the 25mm limit. You are encouraged to reference the World Athletics Shoe Compliance List. This will help speed up the check-in process at the event and ensure that you arrive at the competition venue with approved competition shoes.

All athletes must wear proper competition uniforms.
