This is the one race for fun all weekend...

***AII COMPETITION SHOES MUST BE APPROVED BY WORLD ATHLETICS.***

Athletes agree to abide by the World Athletics Rule (TR5) which concerns the use of shoes during an athletics competition and puts a sole height limit of 25mm on all shoes worn in track events of 800m and above in distance (including Steeplechase). For clarity: The rule does not prevent a road running shoe from being worn on the track but a 30mm or 40mm road running shoe **cannot** be worn for track events because of the 25mm limit. You are encouraged to reference the World Athletics Shoe Compliance List. This will help speed up the check-in process at the event and ensure that you arrive at the competition venue with approved competition shoes.

All athletes must wear proper competition uniforms.
