Check-in Procedure:

NOTE: Any athlete/relay that does not check in as below can be disqualified. As a reminder, the meet will follow World Athletics Rule 4.4 – Failure to Participate

4.4 - At all competitions under paragraphs 1.1, 1.2, 1.3 and 1.6 of the International Competition definition, an athlete shall be excluded from participation in all further events (including other events in which they are simultaneously participating) in the competition, including relays, in cases where:

- 4.4.3 – final confirmation was given that the athlete would start in an event but then failed to participate;
- 4.4.2 - an athlete qualified in any Qualification Round of an event for further participation in that event but then failed to participate further;
- 4.4.3 - an athlete failed to compete honestly with bona fide effort. The relevant Referee will decide on this and the corresponding reference must be made in the official results

All track events: Check-in at marshalling tent (start of the 100m) no later than **30 min** before the schedule time of the race/event

All Field events: Check-in at the event at least **40 min** prior to the start of the scheduled time of the event (**Pole Vault – please check in 1 hour prior to the scheduled time of the event**)

All COMPETITION SHOES MUST BE APPROVED BY WORLD ATHLETICS.

Athletes agree to abide by the World Athletics Rule (TR5) which concerns the use of shoes during an athletics competition and puts a sole height limit of 25mm on all shoes worn in track events of 800m and above in distance (including Steeplechase). For clarity: The rule does not prevent a road running shoe from being worn on the track but a 30mm or 40mm road running shoe **cannot** be worn for track events because of the 25mm limit. You are encouraged to reference the World Athletics Shoe Compliance List. This will help speed up the check-in process at the event and ensure that you arrive at the competition venue with approved competition shoes.

National Track and Field Tour – High Performance “E” Meet

All CAPP athletes will receive free entry in the HP events. If a CAPP athlete would like to run additional events, they must enter and pay the registration fee for open events.

HP Invitational Events – CAPP Athletes PLEASE COMPLETE THE INTEREST FORM – INSERT LINK

Results in the HP events will be considered for the overall prize money for the series and ONLY HP events will be eligible for “E” level points towards world rankings. There will be no refunds for open events. If a heat or flight of a HP event is not filled by CAPP athletes, Open athletes will be offered the opportunity to participate in the HP events and therefore will be eligible for prize money.

PRIZE MONEY FOR HP EVENTS

This year, we have revised our prize distribution to ensure a more balanced recognition of both track and field events. We acknowledge the previous disparity and are committed to fostering a level playing field in the sport of track and field.

Prizes will now be determined based on the World Athletics scoring tables and awarded to the top male and female athletes in each event discipline: **\$500.00 each.**

- **Top Male and Female Sprinters**
- **Top Male and Female Jumpers**
- **Top Male and Female Throwers**
- **Top Male and Female Distance Runners**

Payments will be made at the conclusion of the meet. Athletes are responsible for tracking their own points, as updated scoring tables will be provided daily. Please note that we will not be responsible for seeking out winners—if you do not claim your prize, it will be awarded to the next eligible athlete.

DOUG AND CAROL KYLE MEMORIAL - RACE FOR GOLD

Honouring Every Champion Behind the Athlete

This year, we're excited to reimagine our traditional Father's Day Race as something more inclusive and celebratory:

 **The Doug & Carol Kyle Race for Gold** – a joyful sprint open to **anyone who supports our athletes**: parents, guardians, siblings, grandparents, friends, or dedicated fans!

Let's recognize the incredible people who cheer from the sidelines, drive to practice, time races, fundraise, volunteer — and yes, even stand in the rain — all to support our young athletes.

Each athlete will sprint **alongside one special supporter of their choice**, creating a memorable moment on the track.

All participants will be entered into a **draw for a gold coin prize**, to be announced at the end of the meet!

Thank you for being a vital part of our Caltaf community. We can't wait to see you celebrate with us on the track!

Doug and Carol founded Caltaf Track and Field Association in 1958 making it one of the oldest and most established track clubs in Alberta. A community is measured by the strength of its volunteer contributors, and Doug and Carol were truly one of the track communities dedicated and inspirational leaders. Countless volunteers, officials, athletes, coaches, and parents alike have been touched by their legacy, and for that, we are all left much the better.

Hotel Information

Hotel accommodations are more difficult to secure this year due to the G7 Summit. To ensure the best options at reasonable rates, we began our search early. We strongly encourage you to book your accommodations as soon as possible, as availability is extremely limited.

Additionally, the hotel industry has indicated that more rooms may become available by late April to early May. At that time, we recommend checking back for hotels closer to the venue.

Here are the selected hotels for this year:

We are proud to welcome para athletes to compete in all of our events and are committed to providing the best possible race placements to ensure a fair and competitive experience. It is our goal to integrate para athletes into the most suitable races, allowing everyone the opportunity to showcase their abilities.

As a **World Para Athletics (WPA) sanctioned event**, we encourage any interested athletes to reach out and join us. To participate, please email **Jolene Dressler (momfirst_2000@yahoo.com)** with your classification and event details, and we will work to find the best placement for you.

We look forward to seeing you on the track and ensuring that every athlete has a great competitive experience!

Advancement Procedures – Canada Summer Games & Open Categories

We're thrilled to welcome some of the country's top talent to the **Caltaf Track Classic**, and we've received many great questions about how athletes will advance in both **Canada Summer Games (CSG)** and **Open** categories.

To support transparency and ensure the highest level of competition, we've outlined the advancement procedures below. Our goal is to deliver an elite performance environment while fully respecting the CSG selection criteria.

Track Events

- **100m & 200m, 400m, 400mh, 800, 1500.**

These events will feature **two separate finals**:

- One final for declared **Canada Summer Games-eligible athletes**
- One final for **Open category athletes**

Field Events

- **Jumps & Throws**

- The **top 9 athletes** will advance to the final round.
-
- We will follow a targeted advancement approach:
 - The **top 5 Canada Summer Games Alberta qualified athletes** will automatically advance
 - The remaining **4 spots** will be awarded to the **next best overall performers**, regardless of province or category

This structure is designed to support **fairness, performance excellence**, and **optimal athlete preparation** for Canada Summer Games, while also ensuring strong competition opportunities for Open athletes.

We look forward to an exciting weekend of competition and thank all athletes and coaches for helping us raise the bar!

Date Range for verified performances; March 1, 2025- June 12th 2025
